2. In what ways has the Bible been real and alive in your Christian life and experience?
Share how the Word of God has been a blessing to you throughout your Christian journey.

My Response: Our Response during the service is an act of worship. Do write your reflections on a Response Form and place it in either of the offering bags. **Holy Communion:** We welcome baptized believers to join in the Lord's Supper.
Tithes & Offerings: Giving cheerfully & sacrificially of our finances is part of our worship. Giving serves as a constant reminder that God is our provider, & we seek to honour Him with our tithes & offerings. **Red Bag** - General & Ministry Fund, **Blue Bag** - Missions Fund.

Pulpit Series #3: World View Series #1 (4 part)

There is a great spiritual battle raging for the hearts and minds of men and women everywhere through traditional media (books, magazines, TV and radio) and social media (internet). We now find ourselves in a cosmic struggle between Christian truth and a morally indifferent culture. Thus we need to shape a Christian worldview and life-view that will help us learn to think biblically and live out the truth of our Christian faith.

For this 4-part sermon series, we hope that as followers of Jesus in the twenty-first century we will learn to articulate our Christian worldview and to show how this is applicable across all areas of life.
