Questions for Reflection

1. What stops you from truly experiencing our Father's love? Perhaps you need to start by accepting His gift of salvation through Jesus Christ. If you've already done that, are there things that block the flow of His love, things that weigh you down? Share it with your small group or with someone you trust.
2. Of all the treasures you can bring into a relationship (Security, Authenticity, Humility, Opportunity), which do you need to ask God to help you with?
3. If you are not in a small group yet, decide today to join one to experience the treasure of relationships.

My Response: Our Response during the service is an act of worship. Do write your reflections on a Response Form and place it in either of the offering bags. **Holy Communion:** We welcome baptized believers to join in the Lord's Supper.

Tithes & Offerings: Giving cheerfully & sacrificially of our finances is part of our worship. Giving serves as a constant reminder that God is our provider, & we seek to honour Him with our tithes & offerings. **Red Bag** - General & Ministry Fund, **Blue Bag** - Missions Fund. Please address your cheque to: "Bethesda Frankel Estate Church".

Sermon Series: Discipleship@Home

- 3 in 5 Christian couples never read the Bible together.
- 1 in 4 Christian parents never prayed with their children.
- 27% Christians viewed pornography recently.

These are current figures from The Whole Life Inventory by Focus on the Family conducted amongst marrieds, singles, seniors and youth in Singapore churches.

Our challenge: what will it take to nurture believers, especially on the home-front where impact is greatest? The term “The Whole Life approach to discipleship” sees believers mentored through all seasons of life in the pillars of Faith, Identity, Relationships, Sexuality and Values. As each speaker shares from the Word and from the Inventory findings, let us together take stock as individuals, homes, and as a church.
