Then you will be prosperous & successful. <sup>9</sup> Have I not commanded you? Be strong & courageous. #### Discussion questions

1. Share a testimony with your cell group members of how the Lord has been patient with you e.g. in how he led you to receive him as your Lord and Saviour.
2. Do you agree that the battlefield of the end times is among the unreached peoples of the world? Why or why not?
3. Discuss one thing you can do as a cell group to be connected with the unfinished task of the Great Commission.

Does God’s grace to us mean we can indulge in sin without consequences? Perhaps Christ won’t really return to judge the world after all? For those tempted by such falsehoods, especially enticing in a permissive age, 2 Peter provides a timely pastoral message: Reject such falsehoods, for those who live by them will surely face God’s judgment. Instead, let us remember and hold fast to the word of God we have received and strive to be fruitful in our knowledge of Christ, growing in godliness and being sure of our salvation.

**2021 Advent Series: Jesus The Right One**

The incarnation or the birth of Christ is one of the most incredible events in God’s calendar. God chose **the right time** to send forth His Son to fulfill God’s purposes, and He also foretold, through the prophets, **the right place** for His Son to be birthed. God even planned for **the right sign** for different groups from diverse stations in life to seek His Son for whom all worship is due. As we celebrate Christmas and remember Jesus, may each of us be led to offer **the right response** and **the right worship** for He is our Lord and Redeemer.

**Staff Movement** - We would like to record our appreciation to Brother Francis Soh who has retired from full time employment in the church with effect from 30 September this year, having opted not to take up an extension. Many of us have been blessed by his faithful service. We continue to pray for the Lord’s complete healing and blessing upon Francis as he embarks on a new reassignment from our Lord.

The global pandemic has shaken the world in ways mankind has never experienced before. The Bible has warned us this would happen, with more to come. How

can the believer, indeed the Church remain unshaken in these end times?

Prof Freddy Boey is Deputy President at the National University of Singapore and worships at Covenant EFC Church. He has been privileged to have been a speaker for various BFEC events over the decades in his many years of lay preaching.
